

## TABLE OF CONTENTS

Acknowledgments .....	1
Introduction.....	2
<b>SECTION 1: Seafood Spoilage.....</b>	<b>2</b>
Specific Causes of Seafood Deterioration .....	3
Biological .....	3
Microbiological.....	3
Gaping.....	3
Poor Packaging.....	3
Environmental.....	3
<b>SECTION 2: Seafood Handling Guidelines for Uncooked Chilled Fish .....</b>	<b>3</b>
Identifying, Sorting and Grading Product .....	3
Controlling Temperature.....	4
Preparing an Ice Slurry .....	5
Storing Seafood .....	6
Labelling .....	8
Careful and Hygienic Handling.....	8
Specification for Chilled Seafood (uncooked).....	9
Sale Classifications.....	9
<b>SECTION 3: Seafood Handling Guidelines for Other Seafood Classes .....</b>	<b>11</b>
Sashimi Fish .....	11
Handling Procedures .....	11
Sashimi-Grade Tuna .....	11
Specification for Sashimi Tuna.....	12
Specification for Sashimi Tuna.....	13
Sale Classifications.....	14
Specification for Sashimi of Other Species.....	15
Sale Classifications.....	16
Frozen Fish .....	16
What Happens when you Freeze Fish? .....	16
Freezing and Storing Fillets .....	17
Packaging and Labelling.....	19
Quality Assessment .....	19
Specification for Frozen Seafood .....	20
Sale Classifications.....	21
Live Crustacea .....	22

Conditioning.....	22
Specification for Live Crustacea.....	23
Sale Classifications.....	23
Cooked Crustacea .....	24
Ensuring Quality.....	24
Cooking Crustacea.....	25
Packing Crabs.....	25
Specification for Cooked and Chilled Crustacea (green) .....	26
Sale Classifications.....	26
Bivalve Molluscs .....	28
Specification for Bivalve Molluscs.....	29
Sale Classifications.....	30
<b>SECTION 4: Size Grades Schedule.....</b>	<b>31</b>
<b>APPENDIX I: Types of Hazards.....</b>	<b>34</b>
Biological Hazards .....	34
Tetrodotoxin.....	34
Ciguatoxin .....	34
Physical Contamination.....	35
Chemical Contamination .....	35
<b>APPENDIX II: Protected and Prohibited Species for NSW Fishers .....</b>	<b>36</b>
Protected Fish: Marine or Estuarine Species .....	36
Protected Fish: Freshwater Species.....	36
Fish Protected from Commercial Fishing: Marine or Estuarine Species.....	36
Fish Protected from Commercial Fishing: Freshwater Species.....	36
